

## 2040 Regional Transportation Plan Leadership Symposium II

Wednesday, March 13, 2013, 8:15-11:30 AM (ET)  
The Chattanooga Hotel  
1201 Broad Street, Chattanooga, TN 37402

## AGENDA

---

This second leadership event has three focused objectives: 1) Share progress and technical findings, 2) Introduce the unconstrained scenarios of “Big Transit” and “By-passes & Connectors” and 3) Collect participant preferences on types of solutions and project priorities to aid in the project evaluation process for submission to the Chattanooga-Hamilton County/North Georgia Transportation Planning Organization (TPO).

### **8:15 Breakfast and Plan Displays**

Enjoy a casual breakfast conversing with staff and reviewing/commenting on plan displays.

### **9:00 Welcome and Process Background**

Briefly revisit the planning process and hear a more detailed overview of the outcomes of key events and milestones.

*Melissa Taylor, Regional Planning Agency*

### **9:20 Technical Findings, Scenarios, and Revenue Reality**

Learn of the most notable technical findings, how the team derived the “big picture” scenarios, and what to expect from the funding projections.

*Tracy Selin, Cambridge Systematics*

### **10:00 Break**

### **10:15 Considering the Trade-Offs (Participant Preferences Exercise)**

Utilizing real-time polling equipment, participants will discuss and share their preferences to a series of questions focused on the tough realities of making choices between types of solutions that will help refine community-to-region priorities.

*Stephen Stansbery, Kimley-Horn & Associates*

### **11:15 Closing Thoughts and Final Stages of the Plan Process**

Entertain questions and comments followed by final steps to creating a draft plan.
