

## CHATTANOOGA INTERAGENCY CONSULTATION COMMITTEE

### MEETING MINUTES – June 2, 2016

#### 1. Attendees

A listing of attendees is included in Attachment A.

#### 2. Approval of May 5, 2016 Minutes

There were no questions or comments and the May 5, 2016 minutes were approved.

#### 3. Follow-up Questions to TDOT 2017-2020 TIP Exempt/Nonexempt Project List

Ms. Betsy Evans from the TPO stated that TDOT had sent new pages for the Statewide Grouping project descriptions and the allowable work-types for each grouping. Ms. Evans stated she sent out the updated packet that included these new pages to the group this morning. Ms. Evans then reviewed the TDOT Groupings pages with the group and stated that most of the comments/concerns that were brought up previously were now addressed in the new pages. Ms. Evans asked the group if a new concurrence date of Thursday, June 9, 2016 would be sufficient time for review of the updated pages, the group agreed on the new concurrence date. Ms. Dianna Myers from EPA made a statement and explained to TDOT that the more details provided up front on the projects helps the IAC when reviewing the projects and helps streamline the entire process and said the new project grouping information looks good. Ms. Myers made comment on a grammatical error and requested that the project descriptions in widening projects include the current amount of lanes and the new amount of lanes. Ms. Evans reiterated that the group had until the close of business on Thursday, June 9<sup>th</sup> to provide any additional questions or comments on the TDOT Statewide Groupings project descriptions pages or their concurrence that the groupings projects are exempt would be assumed.

#### 4. GDOT 2017-2020 TIP Exempt Project List

Ms. Evans stated that the TPO just recently received the GDOT projects to be included in the 2017-2020 TIP. She stated that GDOT only sent three projects, all of which are exempt projects. Ms. Evans stated that the projects were sent out to the group two weeks ago for review and that the TPO is asking for the IAC's concurrence that these three projects are exempt projects. Ms. Myers asked what was meant by "oversight services" in the project descriptions. Mr. Ryan Walker from GDOT answered that is how the project managers bill their time for

CMAQ and STP Urban funded projects. Ms. Evans stated the group had until the close of business today, Thursday, June 2, 2016 to provide any questions or comments or their concurrence that these projects are exempt would be assumed.

5. Other Items of Importance

There were no other items of importance.

6. Recap of Action Items & Discussion of Next Steps

Ms. Evans stated that the group had until Thursday, June 9<sup>th</sup> to review the new TDOT groupings pages.

The meeting was adjourned.
